Red Ribbon Week October 27-31st

The Middle School Student Council will celebrate Red Ribbon Week October 27th-31st. The year's theme is "Life is a Puzzle, Solve it Drug Free." Students will be learning about drug abuse and how to make healthy choices.

According to the Red Ribbon Campaign, children of parents who talk to their teen regularly about drugs are 42% less likely to use drugs than those who don't, so it's time to get those conversations started!
