# YETI Orders due Nov. 21st!

On behalf of our Communities that Care coalition, we invite you to join us for an important and informative community event on Wednesday, November 19th at 6:00 p.m. at the Bayshore Arts Theater Center (formerly Theater on the Bay).

We'll be showing the "Johnny's Ambassadors" documentary, Cannabis-Induced Psychosis: A Silent Epidemic, which shines a light on the growing crisis of high-potency THC and its impact on youth mental health. Told through the voices of young people who have experienced psychosis and the parents who supported them, this powerful film offers an honest look at how marijuana use at a young age can fracture lives and upend futures.

Following the 45-minute screening, a panel of local law enforcement and agency representatives will discuss marijuana-related issues in Marinette and Menominee Counties and share local prevention and education efforts. A brief Q&A session will conclude the evening.

#### Event Details:

 Date: Wednesday, November 19, 2025

 Time: 6:00 p.m. (Doors open at 5:30 p.m.)

 Location: Bayshore Arts Theater Center, formerly Theater on the Bay

 Extras: Light refreshments and small door prize giveaways

This event is recommended for parents, caregivers, community members, and youth ages 13+ (accompanied by a parent or guardian).

To plan accordingly, we are encouraging registration for the event by clicking on this link  <https://communitytalkctc.eventbrite.com>

This event is sponsored by Communities That Care of Marinette and Menominee Counties and funded through the Provident Health Foundation.

**Our Mission**

**The mission of Saint Thomas Aquinas Academy is to provide an affordable education in the Catholic teaching tradition that inspires in students a life long thirst for knowledge, wisdom, and truth; a desire to reach the full potential which God has intended for them; and a recognition of the discipline of the mind and heart required for effective service to others in the love of God.**
