## John 15:5

“I am the vine, you are the branches... whoever remains in me and I in him will bear much fruit.”

Our Mission The mission of Saint Thomas Aquinas Academy is to provide an affordable education in the Catholic teaching tradition that inspires in students a life long thirst for knowledge, wisdom, and truth; a desire to reach the full potential which God has intended for them; and a recognition of the discipline of the mind and heart required for effective service to others in the love of God.
